Group Visit Steps

1. Please call the farm at 608-757-1200 to schedule your visit to ensure space for your group.
2. If needing tax exempt status, please email a completed [S-211-SST](#) form to farmers@skellysfarmmarket.com at least 48 hours before your visit to expediate check-in. If unable to email ahead, please bring a completed form. We cannot remove tax without having a completed form on file.
3. If traveling separately, have your group find you at the 'Group Meet-Up Point' (look for the big sign) between the driveway and front pumpkin displays, or have your group gather there when you arrive.
4. When ready to purchase your tickets, send your group leader into the main barn and ask for a manager to pay for tickets and pickup any ordered items. (Please have other group members wait at the meet-up point).
5. With tickets in hand, head out to your group waiting and distribute your wristbands! Have fun!

Private Rental Areas/Parties

We are a retail farm targeting individuals and families visiting, but we can accommodate basic group visits as outlined above. Please note that we do not provide private spaces for rent, do not allow decoration setup, and do not allow carry in food. If eating food purchased from Skelly's Farm Market, we ask that groups kindly share picnic tables with our other guests. While our playground does not have an admission charge, we ask that any groups planning to enjoy the playground as part of their visit spend at least \$5 per guest through other ticketing or product purchases to allow us to keep this resource at no charge for our community.
